**Addendum 7**

December 14, 2011

GRANT SOLICITATION APPLICATION PACKAGE**Buy Down Incentives for Natural Gas and Propane Vehicles****PON-10-604**

The purpose of this Addendum is to close this solicitation as of December 14, 2011. Applicants with approved reservations remain subject to the requirements, terms and conditions of this solicitation.

8. Funding Information

The maximum funding available for all incentives in this PON is \$14,540,000. The Energy Commission reserves the right to increase funding in this PON up to \$30,000,000. Incentive reservations are available on a first-come, first-served basis.

The maximum funding available through this PON by vehicle fuel type and weight is as follows, although the Energy Commission may redirect funds between categories as demand requires:

- \$10,190,000 for natural gas vehicles, excluding school and transit buses
- \$2,350,000 for propane vehicles, excluding school and transit buses
- \$2,000,000 for propane school buses

The Energy Commission is not accepting buy-down incentive reservations submitted after July 7, 2011, for natural gas vehicles and buy-down incentive reservations submitted after December 5, 2011 for propane vehicles. ~~until additional funds are added to the funding category through an addendum to the PON.~~ All approved reservations will be honored and are expected to comply with the requirements, terms and conditions of this PON.

The tables below show the available incentive amounts by vehicle type and gross vehicle weight (GVW).

Natural Gas and Propane Vehicles

GVW (lbs)	Incentive Amounts	
	Natural Gas	Propane
Up to 8,500	\$3,000	\$3,000
8,501 – 14,000	\$8,000	\$6,000
14,001 – 26,000	\$20,000	\$10,000
26,001 & greater	\$32,000	

Propane School Buses

GVW (lbs)	Incentive Amounts
Up to 14,000	\$15,000
Greater than 14,000	\$20,000

Applicants may apply for more than one incentive using a single reservation form (For more information, please refer to Application Process below). The maximum incentive amount that may be requested by any one OEM with a single reservation is:

- Up to \$575,000 per reservation for natural gas and propane vehicles up to 26,000 lbs GVW
- Up to \$575,000 per reservation for propane vehicles up to 26,000 lbs GVW.
- Up to \$1,300,000 per reservation for natural gas vehicles greater than 26,000 lbs GVW
- Up to \$500,000 per reservation for propane school buses.

For OEMs that designate a vehicle dealer/distributor to apply as their agent for reservations, the sum of the reservation amounts requested by the OEM-designated vehicle dealers or distributors cannot exceed the maximum incentive amount that can be requested by a single OEM.

~~The Energy Commission will close this PON on April 1, 2013, or when all the available funds have been exhausted, whichever occurs first.~~
This PON is closed effective December 14, 2011.
